*Thank you for your generous support!*

*"Your generosity is helping make my dream possible. Putting forth the effort to help others further their goals and dreams requires a special sort of individual willing to give back, and that is what makes your kindness so incredible. Thank you so much for your generous award and consideration; it is truly appreciated." – Amelia Swanson, Argyle*

*"When I opened up the letter from Northland saying I received a \$500 scholarship, I was absolutely ecstatic. I am so fortunate to have received this from you. Thank you very much! After [Northland], I plan to transfer to a four-year university to further my nursing degree and become a Nurse Anesthetist." – Brittany Johnson, Thief River Falls*

*"I am a volunteer firefighter and EMT, and this scholarship helps allow me to be a student and still have time to give back to the community." – Ryan Tull, Crookston*
